

## Is The Hamas Attack On Israel Another Perl Harbour Type Psy Op To Start WW3?

The globalists need a world war to cover up their COVID-19 [vaccine] genocide and to prevent Trump from winning in 2024.

leaders of the Islamic World. The war must be conducted in such a way that Islam (the Moslem Arabic World) and political Zionism (the State of Israel) mutually destroy each other." **Albert Pike's 1871 letter to Giuseppe Mazzini** 

The claim that the attack was a surprise is the biggest tell that this war was contrived by Israel. Indeed Netanyahu called it <u>a "Pearl Harbor moment"</u> referring to another false flag used to justify the US entry into World War Two. Is this war designed to touch off WW3?

Veterans of Israeli intelligence say there is no way this attack was a surprise. The Israelis have informers in Gaza. They monitor it electronically. They must have known this was coming and decided to sacrifice hundreds of Israelis for political ends. They did the same thing in 1973.

It's a cliche that politicians start wars to effect change. Netanyahu needed a war to unite a nation badly divided by his judicial reforms. The WEF/Rothschilds/Communists need a war to evade responsibility for the creeping COVID-19 genocide and to stop Trump in 2024. They also need a distraction from the fact that the banking system is bankrupt and broken, and the Ukraine war has been a debacle.

The worst-case scenario is that Israelis will overreact and arouse the anger of the Muslim world who would then intervene, and fulfill Albert Pike's prophecy.

## IS ISRAELI SUFFERING A CAUSE TO REJOICE?

We should distinguish between the policies of the right-wing Israeli government and the beliefs of individual Israelis who have no more control over their government than we do.

We have been fed a daily diet of Israeli abuse of the Palestinians - settlers burning olive orchards, snipers shooting children. An Israeli mob just overran the Al Aqsa mosque.

I think most Israelis would adopt a two-state solution given the chance.

Israelis are being victimized again by their own government. Jews had to be tricked into invading Palestine by the Zionists who sponsored anti-Semitism and Hitler.
